INVICTA

SOME MYTHS ARE REAL. THE 2011 COLLECTION

INVICTA • 2011 COLLECTION

SOME MYTHS ARE REAL

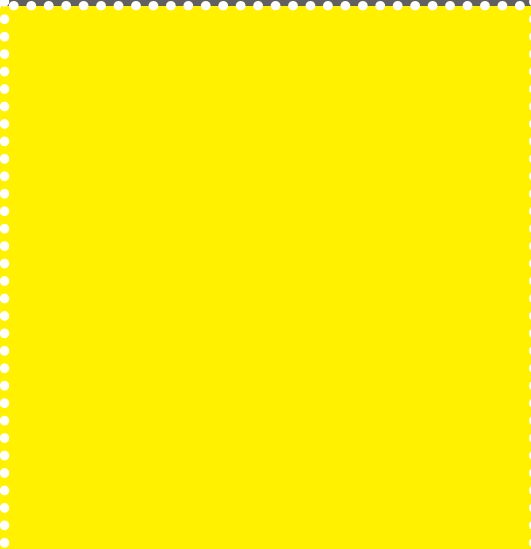

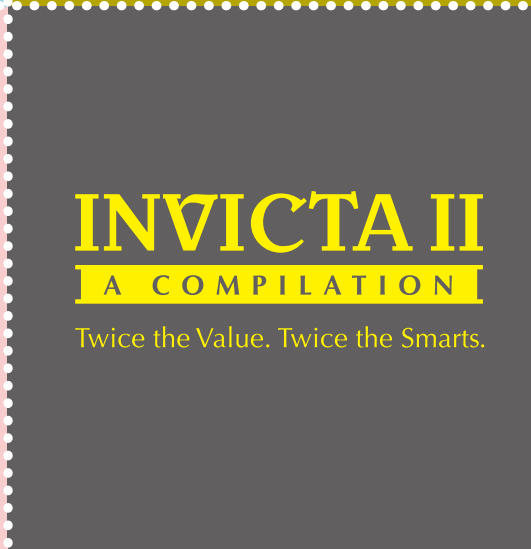

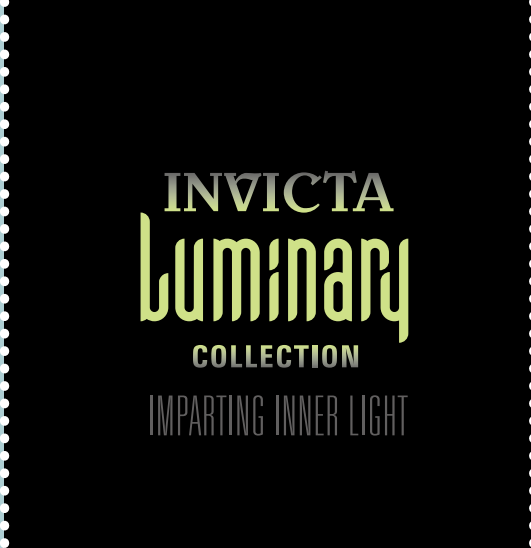

ONCE UPON A TIME, A LITTLE COMPANY HAD THE AUDACITY TO DARE TO CONTEND WITH THE BIG GUYS. THE LITTLE COMPANY WENT OUT INTO THE GIANT WORLD OF WATCHES AND GATHERED ALL THE KNOWLEDGE AND EXPERTISE IT WOULD REQUIRE TO PRODUCE TIMEPIECES OF UNBEATABLE QUALITY YET MAKING THEM AFFORDABLE TO ALL. MAINTAINING ITS ORIGINAL MISSION, THIS COMPANY RALLIED FOR THE SMART BUYER AND HAS CONSISTENTLY BROUGHT CUSTOMERS AND COLLECTORS THE UTMOST VALUE FOR THEIR MONEY.

TIME HAS BEEN ON OUR SIDE, AND SINCE THOSE EARLY DAYS OUR LITTLE COMPANY HAS GROWN TOGETHER WITH OUR CUSTOMERS. IT HAS BEEN SHAPED BY THE VOICES OF OUR FANS IN MAKING THEIR WISHES COME TRUE. IT HAS BEEN LED BY INNOVATION AND NURTURED BY CONSISTENCY OF PRODUCT QUALITY AND BRAND PERSONALITY.

ONCE A MYTH, A MISSION, A DREAM OF TURNING THE BALANCE OF POWER IS TODAY A REALITY. WITH PRIDE FOR OUR ACHIEVEMENTS WE SALUTE OUR CUSTOMERS, OUR FANS, OUR ALLIES THAT HAVE PUSHED US, SUPPORTED US, INSPIRED US AND PROVED TO US THAT INDEED, SOME MYTHS ARE REAL.

ON THE COVER: SEA HUNTER CHRONO

AKULA
RESERVE
FOR THE FEW WHO KNOW BEST

Led with expert engineering, and always ready to face the depths, no feat or occasion will ever be too great for Invicta's Subaqua to handle. The sheer magnitude of this mighty timepiece is superbly executed with surgical-grade solid stainless steel, Swiss automatic movements, and multiple color options of ionic plating. Managing up to 500 meters of water, finished off with a unidirectional rotating bezel, integrated shock resistance, and Invicta's luminous Tritnite® hands, the Subaqua is the diver's definitive in negotiating any adventure by sea or by land.

INVICTA SEASPIDER COLLECTION

ACCURATE TIME WEAVERS

Invicta's Swiss Chronograph Sea Spider is all manmade muscle. Invicta has taken the best and most ingenious of mechanisms and woven a brilliant web of endurance for the most active of ladies and gents. The young spirit of Sea Spider was spun out of the Specialty collection with meticulous precision boasting bold 50mm faces, stainless steel casing, opaque date window and a variety of metal finish combinations.

The uniquely constructed polyurethane band is linked together with stainless steel pins offering secure flexibility. With an array of vibrant colors to match the stamina and dexterity of any sport, the Sea Spider is lightweight enough to make you a heavyweight in any rugged realm of play.

COLLECTION

ACCURATE TIME WEAVERS

Originally created to honor the 1959 watch commissioned by the Russian Naval Fleet, Invicta's Russian Diver commands attention. Strikingly oversized with its complementing Signature crown cap and surgical stainless steel or titanium construction, the truly bold Russian Diver proudly possesses the distinction of being Invicta's largest timepiece. Yet, evolving to accommodate demand, these patented designs now include models fit for any woman's bidding. Equally comfortable scaling the heights of adventure or arriving for dinner, this Russian Diver will never be in doubt and always able to fulfill the orders of any mission.

INVICTA PRO DIVER

MASTER OF THE OCEANS

Plunge into any horizon using the steadfast guidance of the Invicta Pro Diver. Stylishly classic, internal workings are forged with variations of either Swiss chronograph or 21-jewel automatic movements and willingly navigate in depths up to 300 meters. Built with confident prowess, the fortitude with which these timepieces function makes the Pro Diver the quintessential in performance.

A revolutionary constitution by a democratic leading Force. Focused on an end to class antagonisms, the Invicta Force collection brings about change, and makes what was once in reach of only a few elite, now affordable to all. Commanded by automatic or professional quartz chronograph movements housed within surgical grade solid stainless steel cases, leather straps, Tritnite® luminous hands, and submergible to 100 meters, the Invicta Force is prepared for war and ready for peace.

INVICTA VINTAGE

COLLECTION

Keeping Swiss Time Since 1837.

Reaching back through time, Invicta's Vintage collection captures the stylish elegance of the past and places it firmly on the wrist of the present. The result of this synthesis includes the original Invicta IV logo dating from 1837, exhibition case backs, antique finished dials, Roman numerals, alarm functions, leather straps or stainless steel bracelets. Evocative of classic European watch making yet striking the perfect balance between the past and future, the very best of the old and new world meet here at the point of Vintage.

LUPAH
THE LAST WORD
ON BOLD MOVEMENTS

Invicta's Lupah continues to brazenly hit the streets defying the myth of urban trends. Always offering the original signature stylings for which the patented Lupah is known, Invicta has also diversified the line to encompass a varied range of choices and models. While Swiss movements keep this watch in motion, the collection is further accented by a wide selection of colorful straps and dial treatments. It's distinctive look and smarts will keep Lupah in tune with any mood of any moment in any time.

INVICTA II

A COMPILATION

Twice the Value. Twice the Smarts.

INVICTA
JEWELRY
MADE IN ITALY

Adorn your day with Elements, Invicta's boldly striking accessory line. Classically cool bracelets for the wrist, Russian Diver inspired charms for the neck, rotor links for the cuffs, and sleek writing instruments for the hands are wonderful companions to any Invicta timepiece or for making a statement entirely all their own.

Choose these immaculately appointed accents to piece together the Elements of your day.
